First day of Term 3

A beautiful winter day, an enthusiastic team and determined individuals – another enjoyable day at the LSSSA cross country on Friday.

Congratulations to our winning team and our successful grade teams who won 6 out of the 8 team events.

A special mention to our 5 individual winners out of the 8 events – Kennedy McQuestin, Mitchell Mundy, Aiden Reid, Sophie Brewster and Euan Best.

I would like to note Euan Best of Grade 6. Euan's training between Grade 5 and 6 is reflected in his amazing improvement, and demonstrates how you can set yourself a goal, put in the effort and achieve results. He was running second but powered past his opponent on heartbreak hill – the last challenge of a 2 kilometre event.

Two days later former Riverside Primary student, Jake Birtwhistle, set his goal, put in the effort and achieved his best in winning his first world championship triathlon event. His long term goal is the 2020 Olympics.

I wonder which Riverside Primary student will be striving to this goal in the future. Anything is possible!

Art Start

The new exhibition opened last night at the Queen Victoria Art Gallery. The theme this year is Quaint, Quirky and Peculiar. Congratulations to these students who have work exhibited: Maddie Moore, Linkoln Grainger, Elias Hargrave, Jaxxon Pattie, James Gregory, Milly Viney, Angus Caie, James Gregory, An Tran, Emma Derbyshire, Amelia Parish, Tori Ellis, Oscar Stagg, Aidan Thow, Joseph Capodici, Jordan Hodge, Seb Plakalovic and Ryan Macpherson.

A special mention to Megan Scott who was one of the guest student curators. Thank you to Mrs Wendy Wilson for her contribution as the team co-ordinator who involved in supporting these opportunities for local students.

Swimming

Over the next fortnight swimming has started for 3FK and 3PB. The Grade 3 to 5 Learn to Swim Program is an essential part of all children's learning offered in all Tasmanian schools. Every child needs to learn how to be safe around water.

Congratulations to our chess teams who competed on Tuesday. Great to see some different students achieve a medal.

Cars near crossing

Our crossing guard reported a number of cars parked/standing on the crossing side of the road over the double lines. This is not only illegal it is unsafe for those using the crossing.

Please make sure you obey all traffic signs and lines on and near Cleghorn Avenue before and at the end of the day.

Every child's safety is your responsibility.

The club is held right after school until 4:45 p.m. Our team walks with students from Riverside Primary School to the Riverside High School drama room. Good News Club is a Christian ministry, but children of any or no faith are welcome to come along. Please ring Stephanie with the Good News Club ministry at 0400 971 767 for more information or to register or obtain a permission form from Chappy's office.

Middle Years Literacy Project Inspiring Reading in the Riverside Cluster

We are excited about the progress of our Middle Years Literacy Project.

Early this term all of our students from Grade 4 to 9 completed an online reading survey. Our reading survey was developed by our cluster with support from our student working party and the Middle Years team.

Below is a snapshot of some interesting findings which will be unpacked further in student discussion groups later this term. We are looking forward to using this survey information to improve our teaching and learning in reading.

We highly value student voice as an important tool to support our work.

Some interesting snapshots from the survey...

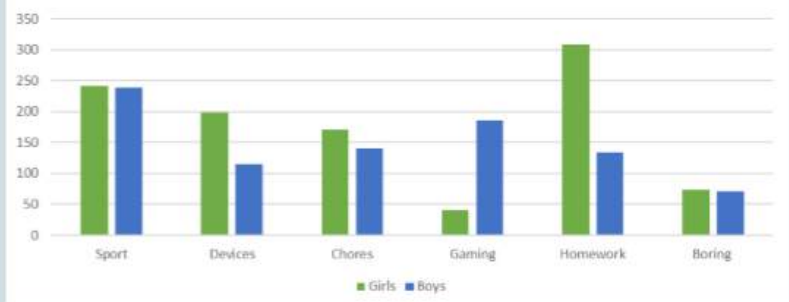

Do you ENJOY reading?

LSSSA Cross Country Carnival Report 2019

How lucky we have been with the weather for our cross country carnivals! With perfect weather came perfect running conditions. Well done to the students who participated in the LSSSA carnival last Friday at Waverley Primary School. You all performed outstandingly and your behaviour, encouragement and support were impeccable.
