Last day of Term 3

### From the Principal

Welcome back for Term 3 and a special welcome to our new families.

Ms Bonde and Mrs Duggan have returned from leave and Mrs Lake is away for the next 3 weeks.

We are excited about lots of opportunities this term with the Growing Up Program Grade 1 to 6, Fire Education Prep-6 and P-2 and 3-6 to attend performances aimed at their age group.

### Earn and Learn

We collected 91380 points. Well done everyone. We weren't given much time to spend our points so over the holidays we ordered:

- collection of art paper to be used across the school
- talking recorders
- STEAMagination kits
- watercolour paints
- USB charging stations
- wooden marble runs
- magnetic geometric blocks

It's a great initiative to support schools and means money we would have spent in buying paper can be used in other areas.

### West Tamar Council

A special thanks to the Council who fast tracked the new path on Cleghorn Avenue from the entrance to the bus stop. They also increased the path near the courts to ensure increased safety for students, as they are moving on and off buses, as well as making it easier for pedestrians.

Currently the Council is developing a plan for improving safety for the top of Cleghorn Avenue which will be discussed with the school community through the RPSA.

We are looking forward to a positive second half of the year. A reminder that if you have any concerns you are encouraged to speak to the classroom teacher, in the first instance. Working together to support your child is a key to learning success.

### Professional Learning Day

Staff from Riverside High, West Launceston and Trevallyn joined us to refocus on our shared work on investigating improving success of boys in reading. This was again led by Western Australian researcher, Dr Ian Lilloco. Teachers then had an opportunity to look at the data collected from students including what impacts on their capacity to engage in reading outside school and what likes and dislikes they have in reading.

### 50 Years Ago

The Sunday Examiner shared the Examiner's page the day after the moon landing 50 years ago. It highlighted Riverside Primary starry-eyed over beautiful moon walk.

7 year old Tim Partridge commented "He will go to the moon one day. It will be quite simple". Tim is the father of Lily, who left Riverside in 2014 and Sam, who left in 2013.

The article also said Tim Partridge knew as everyone else did (even the girls) that it was important because Neil Armstrong would be the first person to set foot on the moon.

Not sure a reporter would be brave to say 'even the girls' these days!

### GROWING UP PROGRAM

The Growing Up Program, will be run by Family Planning Tasmania for Grades 1-6, starting Monday 29 July. This program aims to provide your child with knowledge, skills and attitudes to help them make choices for positive emotional, physical and social health.

The program is age-appropriate and topics covered may include:

- Our bodies and how they work including private body parts
- How my body has grown and changed – birth to present
- Rules about touch
- Conception, pregnancy and birth
- Feelings and emotions
- Healthy and safe relationships – face to face and online
- Decision making and communication skills
- Puberty changes
- Valuing diversity

**You are invited to a parent information session on Thursday 25 July (TONIGHT) 6:30-7:30pm in the student kitchen to be facilitated by Family Planning educators.**

### CANTEEN

Next week's soup is chicken and corn.

## CHILD AND STUDENT WELLBEING SURVEY PARENTS AND CARERS OF GRADE 1-3 STUDENTS

The wellbeing of our students is important to us.

To get an understanding of how students across Tasmania feel about their own wellbeing, students in Years 1–3 at Riverside Primary School will be taking part in a wellbeing survey.

This is a trial of the Early Years wellbeing survey, *Rumble's Quest*, which is being trialled across 28 schools, as part of the *Department of Education's Child and Student Wellbeing Strategy*.

The details for the survey in our school are:

**Name of survey:** *Rumble's Quest*

**When:** Between - 29<sup>th</sup> of July – 16<sup>th</sup> of August

**Who:** Students in Years 1–3

### What do I need to do:

You and your child do not need to do anything. The survey will be done in class time and will not require your child to prepare in any way.

A letter with more information has been sent home with all students in Years 1–3, including Frequently Asked Questions, and a form to sign and return to the school if you do not want your child to participate in the survey.

If you would like further information, please contact Louisa Hooper – [louisa.hooper@education.tas.gov.au](mailto:louisa.hooper@education.tas.gov.au)

Thank you for supporting us to ensure that all our learners are safe, feel supported and are able to flourish, so they can engage in learning.

### *4JV Abstract Art Exploration.*

In 4JV we love to learn about Art and the people through history who have made new kinds of artworks. Lately we have begun to investigate Abstract art and some of the well-known artists of that time. Jaxon Pollack is a famous artist who invented the style of painting known as action art, he uses his whole body to create artworks using splashes of paint.

After reading about Jaxon Pollack we put our learning to action and experimented with the style ourselves. It was messy and very fun! We have created a number of pieces and a collaborative piece which will be displayed on the Arts Night.
