Last day of Term 3

Monday 14 October
First day of Term 4

Friday 1 November
Student Free Day

Monday 4 November
Recreation Day Public Holiday

Tuesday 26 November
Swimming Carnival

A special moment for Riverside to win the State Final of Tournament of Minds in Arts and to win Honours (runners up) in Literature. An amazing effort to both teams. Thank you to Miss Jess Bennett for inspiring our Tournament of Minds revitalisation. And thank you to all parents who provided support and transport.and we are now off to the International Final to be held in Hobart in October.

On Friday we had an amazing Science assembly where 'Professor' Mr Walker activated some very dramatic Science investigations, including the launch of 3 high flying 'rockets'. It was a great deal of fun. This followed on from the interactive Science display set up in the discovery room by our Science team – Mr Walker, Mrs Lippis, Miss Clarke, Mr Baker, Miss McGee, Mrs De Paoli, Ms Bonde and Mr Kroon.

Last week I was very proud of the 40 students who represented us in the Science and Engineering Awards. Not only did they have to share their findings with a report and display, they had to speak to pairs of judges around their scientific work. An entire Grade 6 cohort was involved – 40 children were selected to go to UTAS and from this these were our successful investigations.

Grade 6 1st place:

Grade 6 2nd place:

Engineering Best Primary:

Physical Science Runner Up Primary:

Health and Well-being Best Primary:

Gabriel Turner

Soccer Girls: Jade McCullagh, Skyla Higgins, Sophie Brewster, Matilda Reilly, Imogen Donoghue, Ava Starrett, Kiera Gabbedy, Sarah Moore, Amy Vimpany

Netball: Sophie Brewer, Mia Boyd, Mollie Poulton, Ami Shortall, Mia Price

CITY PARK RADIO - TODAY!

City Park Radio

Today at 4.30pm a few of our Grade 6 students will become radio hosts. They have been writing scripts and recording interviews about a range of different things about our school. They will have thirty minutes to showcase what has been happening at our Riverside Primary. Make sure you are listening today Thursday 12th September at 4.30pm. You can tune into the session on 103.7FM or 96.5FM City Park Radio or via the live stream on the website at www.cityparkradio.com. We know you will tune in this afternoon.

COMPUTERS FOR SALE

All units sold 'as is' condition and no support provided.

Lenovo: Intel i3 2130 3.4GHz Processor, 4GB RAM and a 500GB hard drive

Includes a keyboard and mouse, but no power cord - \$120

Acer: Intel I3 550 3.2GHz Processor, 2GB RAM and a 120GB hard drive.

Includes a keyboard and mouse, but no power cord - \$100

HAND FOOT AND MOUTH DISEASE

We have a confirmed case of hand, foot and mouth disease within our school community. Hand, foot and mouth disease is generally a mild viral illness. Common symptoms are blisters that start as small red dots, usually inside the cheek, gums or on the side of the tongue. Children may also have a low grade fever, sore throat and tiredness. Children with this illness should be excluded from school until the blisters have dried. It is advised that if your child develops these symptoms that they are taken to the doctor.

And look out for these people on the radio tonight

4.30pm City Park Radio
Ryder White, Daisy George, Annabell Wood, Shelby Beams, Dane Plakalovic

4.20pm ABC
Tournament of the Minds team

We have had an amazing number of students representing the school through a variety of opportunities.

Sometimes they are picked because of a demonstrated ability, sometimes (like TOM) it was an expression of interest of who was available to travel to Hobart and had the skills to support team problem solving and sometimes everyone has the opportunity.

This Sunday we are involved with Maths Relay with these problem solving mathematicians.

Grade 6 Zoe Uko, Kaleb Flanagan, Quay Tran, Aiden Thurm

Grade 5 Sienna Bowden, Dylan Wilson, Megan Scott, Jack Taylor

Grade 4 Mitchell Mundy, Gregor Tabagari, Oliver Holmes, Seb Vincour

Thank you to Miss Wyllie, Mr Newman and Mrs Wilson for helping out on the day.

Good luck to our teams.

Yesterday our Grade 3 to 6 students worked with Tas Dance on their 'Trolls' performance. This was followed up with 3 workshops. Another great opportunity to enjoy the Arts.

PRINCIPAL

Tournament of Minds

For the past six weeks 14 of our Grade 5 and 6 students have been participating in the Tournament of Minds. The teams of seven worked on the long term challenges in the divisions of The Arts and Language and Literature.

Students were busy developing scripts, creating props, composing music and costumes as a response to their long term challenge. Teams presented their solution challenges at the state final in Hobart last Saturday the 7th of September.

Our teams represented Riverside Primary exceptionally. They were highly successful in their divisions, our Language and Literature team came runners up, receiving honours and our Arts team won earning them an invitation to the International final, taking place in Hobart this year in October. Congratulations to both teams on their outstanding efforts and best of luck to the Arts team for the upcoming international final. The Arts team will also be appearing on the "The Drive" ABC Northern Tasmania radio this Thursday afternoon at 4.20pm to chat about their experiences.
